# Current situation

- ▶ Thematics: 30 + Coordinator
- ▶ Persons: 21
- ▶ Meetings of the Network: 3 per year
  
- ▶ Organizations involved:
  1. **Ministry** of Education, **Science** & Sport (**MIZŠ**)
  2. Ministry of Economic Development & **Technology** (MGRT)
  3. Slovenia Public Agency for Entrepreneurship, Internationalization, Foreign Investments and Technology (SPIRIT)
  4. Ministry of Infrastructure (MZI)
  5. Slovenian Nuclear Safety Administration, Ministry of the Environment and Spatial Planning (URSJV-MOP)
  6. Chamber of Commerce and Industry of Slovenia (GZS)

# Summary of current situation

- one thematic = one NCP
- some NCPs = several thematics
- most at one of the Ministries (MIZŠ)
- 6 NCPs = the other institutions
- not only Horizon 2020 thematics

# Workshop

▶ Analysis of the Workshop in Ljubljana, April 10th 2015

▶ NCP Network H2020 & EEN

▶ 3 issues discussed:

1. Make NCP Network visible
2. The role of the NCP?
3. Associate NCPs

# Analysis of the Workshop

1. Make NCP Network more visible
  - own domain  $\Rightarrow$  separate webpage
  - logo
2. The role of the NCP?
  - offers wide range of assistance to participants (clients)
  - organizes focused info days
3. Associate NCPs
  - introduces „no wrong door“ policy
  - information shared

# Challenges for the future

- ▶ professional NCP network for H2020
- ▶ focus on H2020 > national issues
- ▶ more than one NCP per thematics (e. g. legal & finance)  
⇒ backup
- ▶ Time & opportunities to learn, get informed
- ▶ Better information flow among NCP's

# HVALA ZA VAŠO POZORNOST!
